

Glasses Policy and Application form

PURPOSE

The aim of Glasses assistance is to provide a contribution towards the cost of spectacles/glasses.

Note:

Where you are eligible under the Integrated Team Care Program (ITC) (diabetes, cancer, respiratory disease, cardiovascular, mental health and kidney) your Aboriginal community-controlled health service and/or primary health network officer must be consulted first to see if you are eligible through that program. You will need an appointment with your Doctor to develop a care plan. If you are an existing patient under this program, the FWCAC will need evidence of their support (from your local Aboriginal Health Service) prior to submitting an application. This is to make sure the govt are paying for services they are responsible for and you, as a patient, are entitled to.

Members are encouraged to seek assistance through the Low-Cost Spectacle Scheme or the SA Spectacle Scheme.
